Fiberglass Entry Door Systems

THE CLASSIC-CRAFT® DOOR SYSTEM LIFETIME LIMITED WARRANTY

Therma-Tru Corporation warrants the Classic-Craft® entry door system to the original owner against defects in material and workmanship for as long as the original owner owns the door system. The original owner is the private residential homeowner when the door system is first installed, not the distributor, dealer, or contractor. The Classic-Craft® entry door system consists of the door and any applied or inserted panels, glass lite inserts, wood grilles, hinges, weatherstripping, door bottom gasketing, corner seals, and the door sill. This warranty is in force only when all the above-named parts are genuine Therma-Tru components.

Provided that installation, finishing, and maintenance has been performed in accordance with Therma-Tru's published recommendations, if defective material or workmanship becomes evident in the Classic-Craft® entry door system during the warranty period, we will repair the defective part or system or provide a replacement, at our option, or refund the purchase price.

For all types of insulated glass, the warranty covers insulated airspace integrity. If the seal fails, we will repair or provide a replacement insulated glass unit.

The Classic-Craft® Flush-Glazed Door or Sidelite (glass integral with panel and non-removable) is warranted against accidental glass breakage only until the original owner takes possession of the residential property.

We exclude from this warranty any lock mechanisms or closer hardware, or other miscellaneous hardware, or any other door attachments, which we do not manufacture or furnish. We also exclude finishes. We do not warrant jambs or brickmold, or against damage or defects that resulted from improper installation or finishing or maintenance, or from abuse or misuse. We do not warrant that published product and technical information regarding Therma-Tru's products is consistent with applications, building customs, or building standards outside of North America. Therma-Tru customers outside of North America should contact the Therma-Tru International Sales Department for specific guidelines and questions regarding product warranty.

We also exclude shipping costs, and costs for installation, repair, reinstallation, or finishing, which may be incurred due to a defective part or system covered by this warranty.
